

Schindler Church Open House

Experience a Schindler building that hasn't been open for many years!

The Bethlehem Baptist Church, RM Schindler's only church, was designed in 1944. Built on a small budget in an urban neighborhood, it is an incredible building full of movement and light. The church has been abandoned and boarded-up for years. It is now repaired, and the new home of Faith Build International.

Join Pastor Melvin Ashley in celebrating the reopening of this wonderful Schindler-designed church. This event is open to the public.

Faith Build International Open House
4901 Compton Avenue, Los Angeles, 90001
Saturday, April 12, 2014, 11AM-1PM

RSVP and/or questions about the Open House, contact Church Administrator Capri Blount at:
